CLEAR SPRINGS HIGH SCHOOL, the fourth comprehensive high school campus in Clear Creek Independent School District, is committed to meet the needs of students through high expectations in academics, athletics, fine arts, and all other student extra-curricular activities. The 465,000 square foot building is designed to promote our vision of creating a personalized and positive learning environment for all students on a large campus.

CURRICULUM: Clear Springs students have almost 300 courses from which to choose to prepare themselves for college, university, technical school or a career.
