Personal Counseling for ALL Students

School Counselors are available to assist students with a wide range of personal concerns including such areas as social, family, emotional, mental health, or substance abuse. A student may request to visit the school counselor's office and parents may request resources from a counselor.

A student who wishes to meet with a school counselor about personal concerns should request to visit the school counselor's office **by filling out an online form in the Student Support Counselor course or the CSHS Counseling Corner course in itsLearning.**

If a parent is concerned about their child's mental or emotional health, please call the CSHS Counseling Office at 281-284-1341 and ask to speak with a school counselor for a list of resources that may be of assistance.

Student Support Groups — In order to meet the personal needs of students, school counselors may also offer support groups on a recurring basis. The support groups meet during the school day for approximately 45 minutes per week. The class time in which groups meet rotates so students do not miss any class more than once every nine weeks. These groups are intended to provide a safe, confidential, and supportive setting for the students to discuss concerns and practice behaviors that will support growth and development.

If a parent/guardian does not want their student to participate in a support group, written documentation of denial of services will need to be provided to the school counselor.

Counseling Practicum/Intern — We are excited to have Ms. Kristen Cevallos and Mrs. Danyale Antley sup-

port our campus as Counseling Practicum/Intern Students. University of Houston, Clear Lake and Lamar University trains individuals to be school counselors and licensed professional counselors. As part of this training, counselor practicum/intern students work to support the Texas Comprehensive Counseling Program at our campus. If Ms. Cevallos or Mrs. Antley is going to work with your student on a regular basis, an additional consent from will be sent home. Ms. Cevallos will be supported by Mrs. Karen Grayson, Student Support Counselor at Clear Springs High School and her professor from University of Houston, Clear Lake. Mrs. Antley will be supported by Mrs. Valerie Strickland, High School Counselor and her professor from Lamar University.

CCISD Core Values & Social-Emotional Learning (SEL) Curriculum

Character Strong

CCISD Core Values

CCISD has six core values, or standards of behavior, that we have adopted from the Character Counts 6 Pillars. Clear Springs integrates these core values daily into their school community, not only modeling but teaching students how to demonstrate these values.

The CCISD Core Values are:

- ♦ **Trustworthiness** – Act with honesty in all that you do
- ♦ **Respect** – Value yourself and others
- ♦ **Responsibility** – Own your choices
- ♦ **Fairness** – Play by the rules and consider the needs of others
- ♦ **Caring** – Be kind to others
- ♦ **Citizenship** – Work to improve your school, community, and country

Character Strong

Clear Springs High School integrates the *Character Strong* curricula with the CCISD Core Values to teach Social Emotional Learning and Character at the same time. CSHS integrates SEL competencies into their school community through explicit teaching and modeling of skills.

Character Strong Develops:

- ♦ **Respect**
- ♦ **Commitment**
- ♦ **Honesty**
- ♦ **Kindness**
- ♦ **Forgiveness**
- ♦ **Patience**
- ♦ **Humility**
